

### REMARKS

The present Amendment is submitted under the provisions of 37 CFR 1.312. Applicant respectfully submits that entry of this amendment is clearly warranted under the present circumstances for the following reasons.

By this amendment, claims 3, 4, 10, 11, 15 and 16 are canceled, and minor editorial changes have been made to claim 1 in order to correct typographical errors that were present in the Examiner's Amendment dated September 18, 2006.

Regarding the typographical errors in claim 1 of the Examiner's Amendment, Applicant notes that there are four typographical errors therein: (1) in line 3 of claim 1, "optical-disc" should read --optical disc--; (2) in line 6, the term "that" should be deleted (see the Amendment filed on June 30, 2006); (3) in line 7, the term "on" should be deleted (see the Amendment filed on June 30, 2006); and (4) in line 14, the term "via" should be deleted (see the Amendment filed on June 30, 2006).

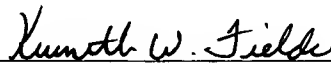

In view of the foregoing, as the above-noted changes to claim 1 are requested solely to correct typographical errors in the Examiner's Amendment, and the remaining changes are limited to the cancellation of claims 3, 4, 10, 11, 15 and 16, Applicant submits that no additional search is required and entry of the amendment would not require any substantial work on the part of the Office.

Accordingly, Applicant submits that entry of the present amendment clearly is warranted, and such entry is hereby requested.

If for any reason the Examiner does not believe that this amendment should be entered,  
Applicant kindly requests that the Examiner contact the undersigned at the telephone number  
listed below.

Respectfully submitted,

Masako NINOMIYA
